SUMMARY

Detail-oriented Web Developer and IT Support Specialist with over 8 years of experience in web development and 5+ years in IT support. Currently working as a Web Developer at BetterWorld Technology, leveraging AI tools including Claude AI to streamline development workflows and deliver high-quality solutions. Certified CompTIA A+, O365 Specialist, Sophos Certified, HIPAA Compliant, and ThreatLocker Specialist.

WORK EXPERIENCE

Web Developer — BetterWorld Technology

Nov 2025 – Apr 2026

- Develop and maintain client websites and web applications as part of a technology-focused team.
- Leverage AI tools including Claude AI to streamline development workflows, accelerate debugging, and improve code quality.
- Collaborate with cross-functional teams to deliver web solutions aligned with client requirements.

IT Support Technician — Iternal Networks

2023 – 2025

- Performed daily backup checks and server monitoring to ensure system reliability and data integrity.
- Monitored alerts to prevent issues and possible security breaches.
- Worked on policies to allow and block specific apps, commands, and ring-fenced communication between servers and workstations.
- Set up network devices on different VLANs to avoid unnecessary communication within internal devices.

IT Support Technician — HoustonTech

2022 – 2023

- Installed and maintained hardware and software, including printers, scanners, and email clients.
- Configured and troubleshoot network issues such as internet connectivity and VPN access.
- Collaborated with cross-functional teams to resolve complex technical problems and implemented best practices for IT operations.

Help Desk Technician — Neotech Networks

2020 – 2022

- Resolved hardware and software issues, including password resets and software installations.
- Assisted with device management, including remote wipes and data backup.
- Created and updated technical documentation and trained end-users on various software applications.

English Teacher — CEVAZ / Lead Academy

2018 – 2020

- Delivered English language instruction at a private academy and a private institution for over one year.

Freelance Web Developer — Self-Employed

2018 – Present

- Developed websites for companies such as Latam Digital Marketing and BeSocial.
- Built client websites using Elementor, WordPress, Squarespace, Shopify, Divi, WPBakery, PHP, and raw HTML/CSS.

EDUCATION

Informatics Engineering — Dr. Rafael Bellosso Chacin University

2013 – 2017

Secondary School — U.E. Colegio Claret

2000 – 2012
